AWAITS IN MONACO

Set along the Côte d'Azur between France and Italy, the cosmopolitan Principality of Monaco offers the essence of Europe—history, elegance, and excitement—in less than a square mile. Visitors experience its sublime Casino de Monte-Carlo, the panoramic views on the Mediterranean, the prestigious Princely Palace, be pampered at the best spas, be part of the legend at the F1 Grand Prix de Monaco, or be fascinated by Monaco's philharmonic, ballet, and opera companies.

But in the midst of this wealth of experiences is a high degree of corporate responsibility. The current ruler, H.S.H. Prince Albert II, is in the forefront of environmental advocacy: Monaco's hotels and the Grimaldi Forum convention centre are eco-friendly. Thanks to an American-born Princess—the former film star Grace Kelly—English is widely spoken in the destination. With more than 300 sunny days per year, Monaco can rival most destinations for favorable weather. Packages and value-added amenities make it friendly for incentive programs.
