

FAIRMONT SPA
& WELLNESS

WINDSOR PARK

Located on the edge of Windsor Great Park and Savill Gardens, Fairmont Spa & Wellness offers the ultimate approach to wellness, inspired by nature. Setting an unprecedented standard in UK wellness, the experience extends beyond the spa to create an oasis of tranquillity across the retreat. Our passionate team of wellness experts are committed to providing every member with a transformational experience for body, mind, and spirit in a serene and luxurious setting.

The Fairmont Spa & Wellness consultation and wellness pathway is entirely personalised. The facilities, spanning 2,500m², have been designed to bring together the relaxation of a 5-star spa with the experience and innovation of a spa clinic, enabling you to make lasting changes to your life.

HEALTH IS A STATE OF COMPLETE
HARMONY OF THE BODY, MIND AND
SPIRIT.

WELLNESS SUITE

The 272m² Wellness Suite has been skillfully curated by renowned industry experts. Equipped with the highest specification Technogym Artis cardio and strength range, selected for its seamless design and empowering the most exciting training experiences. A selection of additional best-in-class equipment complements a bespoke exercise and movement programme for every member's needs.

CLASSES & STUDIOS

With over 70 classes a week and three dedicated studios to choose from, your wellness journey will fit your timetable.

A dedicated Mind & Body Studio offering a wide variety of both yin and yang classes in a small group setting. From Restorative, Candle-lit Yin, Sound Healing to Hot Yoga, Mat Pilates, Barre and Aerial Yoga.

Movement and Mindfulness is also taken outside with Nordic Walking and Forest Bathing.

Our Reformer Studio, with six Reformer beds hosts classical Pilates movement therapy, with group classes and private classes available.

Or if your focus is on raising your heartrate and stepping up your game then the Group Cycling Studio and our Gym Floor HIIT Classes can transform your energy to achievement, ensuring you are getting the results you want.

Additionally, with our outdoor fitness equipment and gym you can have fun in the fresh air, accomplish a goal and find encouragement and motivation in Cross Fit classes with the Fairmont Windsor Park community.

CRYOTHERAPY

Electric powered, nitrogen free Whole-Body Therapy (WBT) uses air to maximise the experience. A systemic anti-inflammatory treatment involving skin exposure to ultra-low temperatures up to -110°C for a brief, controlled time, inciting vasoconstriction and leading to a vast array of physical and mental benefits. Clients who have undergone our Whole-Body Cryotherapy say they experience a multitude of benefits, including feeling rejuvenated, a feeling of wellbeing, improvement in athletic performance and having more energy. Designed to supplement health and wellness programmes whether used for sports, wellness or medical treatments, applications include:

- Metabolic boost
- Anti-ageing
- Energy elevator
- Mood enhancing
- Immunity and anti-inflammatory support
- Better sleep
- Recovery from muscle pain and injury
- Reduction of migraine symptoms

TRUEFIT & HILL

Fairmont Spa & Wellness has partnered with Truefitt & Hill. Since 1805 they have been recognised as the world's oldest and finest traditional gentlemen's barber and perfumer in London, providing the finest in grooming products and services. Enjoy a traditional hot towel wet shave, haircut and shoe shine for that special engagement, business meeting or simply just to relax and unwind.
