

THE GALATA HOTEL ISTANBUL MGALLERY

Historical Building — The historical bank building, which was built in the 19th century, was renovated with 'art deco' touches. Almost every window of the hotel opens to the magnificent view of Galata and the Historical Peninsula. The Galata Istanbul Hotel MGallery offers a fascinating blend of traditional and modern interior decoration while preserving the building's original arched brick vaults and ceilings.

Central Location — Located in Karaköy Bankalar Caddesi, The Galata Istanbul Hotel MGallery has a central location. It is within walking distance to the unique touristic structures of Istanbul such as Galata Tower, Topkapı Palace, Süleymaniye Mosque and Hagia Sophia.

Accommodation that embellishes you with luxury — The Galata Istanbul Hotel MGallery has 72 exclusive boutique rooms and 11 suites.

Historical Cesme Hammam — Historical Cesme Hammam, which is passed through the hotel by elevator, was established in 1720. Offering free use to the guests staying at the hotel, the Turkish bath offers boutique spa and wellness services as extra.

Exclusive Flavors — You can discover the new interpretation of Turkish cuisine in Mesai Restaurant. You can sip a cocktail or a special wine at the Fazla Mesai Terrace or the Lobby Bar with its magnificent view.

Spectacular Meetings — You can organize meetings of 25-60 people in the hotel's fully equipped meeting rooms, called Kubbe and Boardroom.

Unique Experiences — Each MGallery hotel offers a special 'Unforgettable Moments' experience to its guests. The Galata Istanbul Hotel MGallery also offers its guests the opportunity to have an unforgettable memory for a lifetime with different carefully selected experiences in the attractions of the region.
