ALLSAFE @ SLH

At Sofitel London Heathrow, our team have worked tirelessly to introduce new procedures to ensure that safety is at the heart of our daily operations and service. From our ambassadors, through to organisers and delegates, we are one team.

As the current global situation evolves, we are constantly adapting our guidelines to stay up-to-date with government advice.

Whilst we adapt to the new normal, we understand that you have chosen Sofitel London Heathrow for its quality and renowned service standards, delivering this continues to be a valued priority, where you can relax knowing that all key safety considerations are being taken care of.

Your health and safety is our number one priority and to demonstrate our commitment we have signed up to Accor's ALLSAFE programme to give you the peace of mind that we are operating under the current government guidelines
