

— *Modern design blends with the style of an ancient Domus of Pompeii*

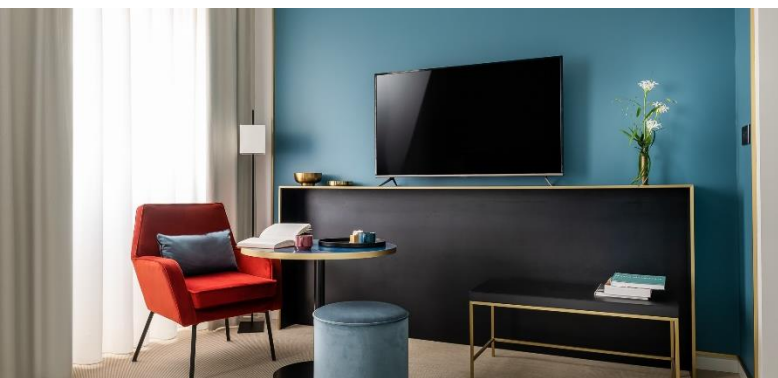

The new boutique hotel in the heart of Pompeii

1. Suite — 2. Garden

**Hotel** — HABITA79 Hotel & Spa Pompeii is housed in a majestic late-19th century building surrounded by gardens and overlooked by an ultra-modern rooftop, from where you can enjoy a breathtaking view of Pompeii's Archeological Site and of Mount Vesuvius. Thanks to its strategic location, the hotel is the perfect starting point for those who want to have a travel experience discovering the ancient city of Pompeii. After recent and complete renovation, HABITA79 is now a boutique hotel that exudes sober and polished elegance, the outcome of a fusion of modern tailor-made design and sources of inspiration from the colours, adornments and materials of an ancient Pompeian domus. On entering the hotel, you have the impression of walking into the house of an art collector, where Roman artifacts, restored and given a new life, co-exist with works of modern art.

**Location** — Just a short distance from the entrance to the UNESCO Archeological Site, HABITA79 is located in the heart of Pompeii, only 50 metres from the Sanctuary of Our Lady of Pompeii, a place of worship visited each year by millions of pilgrims coming from all over the world. The hotel is only 30 minutes from the city centre of Naples. It is in a strategic position in relation to other enchanting archeological sites of the region, such as Herculaneum (15km) and Oplonti (6km), and to the Sorrento peninsula (27km) and the Amalfi coast (36km), whose beauty is well-known all around the world. Furthermore, the hotel is just 20 minutes from the Vesuvius National Park. Naples' airport and train station, both easily reached by car, are around 30km from the hotel, whereas Pompeii's train station is only a 5-minute walk away.

1. Suite Boudoir — 2. Landscape — 3. Hallway
